

Washington, D. C. 20505

18 SEP 1978

Honorable Edward P. Boland, Chairman
Permanent Select Committee on Intelligence
U. S. House of Representatives
Washington, D. C. 20515

Dear Mr. Chairman:

In 1976 the House Armed Services Committee established the requirement for the Central Intelligence Agency to submit annually, by 1 October, a report on the application of Section 203 of the CIA Retirement and Disability Act in respect to designating participants in that retirement system. The reports for 1976 and 1977 were submitted to the Armed Services Committee. Because your Committee now has jurisdiction over the CIA, and pursuant to the instructions of your Committee on 13 October 1977, I am submitting this report to the Permanent Select Committee on Intelligence.

This present report, as were the two previous reports, was prepared by [redacted] who is well known to you. We believe that having [redacted] make the review of CIARDS and prepare the report for the third year in a row capitalized on the continuity and expertise which he was able to bring to this undertaking.

I am pleased that [redacted] again concludes that the Agency continues to administer the CIA Retirement System in conformity with the law, the regulations and the intent of Congress.

Yours sincerely,

/s/ Stansfield Turner
